

## New England Biolabs Certificate of Analysis

**Product Name:** BC-NH2  
**Catalog Number:** S9236S  
**Packaging Lot Number:** 10144540  
**Expiration Date:** 03/2025  
**Storage Temperature:** -20°C  
**Specification Version:** PS-S9236S v1.0

BC-NH2 Component List			
NEB Part Number	Component Description	Lot Number	Individual QC Result
S9236SVIAL	BC-NH <sub>2</sub>	10144541	Pass

Assay Name/Specification	Lot # 10144540
<b>Physical Purity (HPLC)</b> BC-NH <sub>2</sub> is ≥ 90% pure as determined by HPLC analysis.	Pass
<b>Identity (Mass Spectrometry)</b> The observed molecular mass of BC-NH <sub>2</sub> is 230.1 Da +/- 1 Da as determined by mass spectrometry analysis.	Pass

This product has been tested and shown to be in compliance with all specifications.
